# style reimagined

**A new generation 7-seater with a compact and robust design, featuring more pronounced SUV codes than ever with its strong front face and silver finish skid plates[1]. Drive in comfort with its elevated ground clearance of 182 mm and roof rails with load carrying capacity up to 50 kg. Add a touch of exclusivity with a range of colours, including amber terracotta.**

**Renault Triber features the new emblem, a symbol of the brand's innovative spirit. Its expressive grille is wider and sculpted. A dynamic front bumper design enhances the car's presence with sharp lines and integrated air intakes.**

**Benefit from the sporty character provided by its 38.1 cm "landscape" dual tone styled wheels[2] that emphasise its aerodynamic design.**

**It stands out with its meticulously crafted details that make all the difference. Head lamps, tail lamps and fog lights are equipped with LED technology for optimal brightness and a redesigned bumper for a striking appearance.**

# 5 to 7 seats

**An unparalleled interior volume designed to be spacious. Each of the 7 seats offers maximum comfort with easy access to all rows and 222 mm of knee room in the second row, the best in its category. The generous 625L trunk(1) is easy to load, making life on board even more practical.**

**The art of clever storage with 23L of convenient compartments distributed throughout the cabin. Enjoy refrigerated centre storage(2) and lower glove box(3) for journeys where nothing is left behind.**

# intelligent space

**Experience modularity that simplifies everyday life: an interior optimised to the centimetre for comfortable seven seat travel, with removable third row seats and second row seats with slide, recline and fold functions.**

**The tumble function, operated via a one touch fold & tumble, allows the interior to be adapted effortlessly to suit your needs and everyday uses.**

**Enjoy unparallaled flexibility with over 100 possible configurations.**

# intuitive and efficient technology

**The 20.32 cm floating touchscreen[1] is your essential travel companion, keeping you connected wherever you go. Enjoy your favorite apps, like Google navigation, with wireless smartphone replication[2] on the central screen, thanks to Apple CarPlay® and Android Auto™ replication.**

**The 17.78 cm TFT instrument cluster[2] behind the steering wheel allows you to view essential driving information.**

**Plug in and charge your devices, smartphone, music player, or laptop via the USB port on the console. While driving, securely place your smartphone on the wireless charging pad[2] for quick and cable-free charging.**

# accessories

**front grille insert**
Add a bold touch to your vehicle's face with chrome front grille inserts. Designed to enhance the stance, this accessory adds a premium finish that's both elegant and assertive.

**tail lamp surround**
Elevate the rear look of your vehicle with chrome surrounds that frame the tail lamps with subtle contrast. A simple detail that adds definition and enhances the premium feel.

**tailgate garnish**
Complete the rear look with a chrome tailgate garnish[1] that lends a refined yet robust character. It integrates seamlessly with the design language of your vehicle while providing a stylish accent to the tailgate.

**moulded mats**
Keep your vehicle's floor looking clean and well-kept with mats that are shaped to match the cabin layout. Built for durability, they protect against everyday dust, spills and wear while offering easy maintenance.

**seat storage bag**
Designed to complement the modularity that Triber offers, the seat storage bag is a thoughtful add-on for everyday use. Designed to store the easy fix seats when removed.

human first program
safety by Renault

# the human first program is a comprehensive safety program developed by Renault in collaboration with researchers, experts and fire-fighters.

## because road safety is the business of all road users – be they pedestrians, cyclists or motorists – the human first program by Renault undertakes to:

**1.** **prevent accidents by developing safety equipment and advanced driving and safety assistance systems**

up to 34 advanced driving assistance systems / more than 60 safety systems, up to 7 airbags, child seats (ISOFIX), Renault's Fixe4sure solution / more than 2 000 safety-related patents filed since 1970

**2.** **manage accidents once they have happened by drawing on innovations developed in collaboration with fire-fighters**

QRescue / Fireman Access / more than 5,000 fire-fighters trained over the past 10 years in 20 countries throughout the world / around 400 cars given per year for their training

**3.** **reduce the number of accidents and their severity by investing massively in R&D**

safety score / safety coach / connected services / big data / artificial intelligence and cybersecurity systems

**find out more about the human first program**

# available with CNG

## Upgrade your car with a government-approved CNG kit[1], available for retrofitment across manual transmission variants. Transition to a cost-efficient driving experience with Renault Triber CNG.

## Enjoy complete peace of mind with a standard warranty of 3 years/100,000 km and no RC endorsement hassle. Unlock significant fuel savings along with the benefit of 7 seats.

[1]government-approved CNG kit fitment option is available within Renault network pan India. the CNG kit comes with a 3-year/100,000 km standard warranty (whichever occurs earlier).
