NEW BOLERO
BOSS HAI

BOLERO

MEET THE NEW BOSS

The timeless icon has arrived in a new BOSS avatar. With a bolder stance and a more commanding presence, the New Bolero redefines what it means to lead. This is not just an arrival; it's a declaration. The road listens when you're at the wheel.

DESIGN — BOSS LEVEL

Bold New Grille

A bold new face that commands attention with its modern design, announcing your arrival with an air of undeniable presence. It's a look that's both aggressive and elegant, a perfect balance of power and style.

R15 Diamond Cut Alloy Wheels

Their sleek design adds a touch of premium style, effortlessly rolling with confidence and elevating your journey with every turn.

Fog Lamps

When conditions get challenging, these new fog lamps provide clarity and confidence. Illuminate your path and move forward with the assurance of a leader who sees clearly through any obstacle.

New Stealth Black Color

The bold new shade - New Stealth Black is more than a color; it's a statement of power and unmistakable Boss style.

COMFORT – BOSS LEVEL

Leatherette Upholstery

Experience a touch of luxury with refined leatherette upholstery. This new-age material combines durability with a soft, supple feel, creating an interior that is both rugged and undeniably premium.

The seats have been redesigned for a plush, supportive feel, wrapped in premium new cushioning that elevates every journey.

RideFlo Advanced Ride & Handling Tech

RIDEFLO

The new RideFlo technology offers enhanced stability and control with improved suspension, refined brake dynamics, and lighter steering - delivering smoother, more confident drives across every terrain.

Built-In Bottle Holders

Every detail has been thoughtfully considered. The new door trims feature integrated bottle holders, blending seamless convenience with a clean, modern design.

TECHNOLOGY
BOSS LEVEL

17.8cm Touchscreen Infotainment System

Stay in command of entertainment and connectivity with a sleek 17.8 cm touchscreen. Effortlessly navigate, manage calls, and play your favorite music, all from a central hub of intuitive technology

USB C-Type Charging Port

Power is always within reach with the new USB C-Type charging port. Stay charged and connected, ensuring your devices are always ready for the journey ahead.

mHawk75 Engine Power

The mHawk75 engine delivers high torque for quick acceleration and smooth cruising, while the Engine Stop/Start (ESS) technology enhances fuel efficiency, ensuring a powerful yet economical ride.

Driver Information System with Digital Cluster

Get all the information you need at a glance with the new digital cluster. This advanced system provides real-time updates on your vehicle's performance and status, putting you in complete control.

Reverse Parking Alert

Maneuvering in tight spots is now effortless and safe. The reverse parking alert system provides a clear warning, giving you the confidence to navigate any space with ease.

SAFETY – BOSS LEVEL

Dual Airbags & Seat Belt Reminders

Protection for both you and your co-driver. The new dual airbags and seat belt reminders work together to ensure maximum safety.

ABS with EBD

Take on any road with confidence. The Anti-lock Braking System (ABS) with Electronic Brake-force Distribution (EBD) provides superior control, ensuring safer, more stable braking in all conditions.

High-Strength Construction

Built like a fortress. The high-strength, frame-based body and robust metal bumper provide an impenetrable layer of protection, so you can focus on the road ahead.
